SPONSOR LEVELS & BENEFITS

- TELEHEALTH TOOLBOX WEBINAR SERIES -

Who Attends?

- Our **free webinars generate approximately 1,000+ registrations each with 350-850 attendees**
- The **audience is a broad representation** from counseling, psychology, social work, psychiatry, and other health professions.
- **Attendees are seeking telehealth tools** and information to expand their business
- **Participants are ready to invest** in themselves and their organizations to grow their practices or are key decision-makers in their organizations
- **They are savvy with social media** and have (or are in the process of building) an engaged online following
- Webinar **participants represent a wide range of national organizations**

Why Should You Be a Sponsor?

- **Connect with a captive audience of behavioral health professionals**
- Reach **key decision-makers**
- Build brand and mission awareness
- Generate **high-quality leads and contacts**
- Demonstrate your organization's dedication to supporting mental health
- **Pre-event e-newsletter promotion with your logo connects to our community of 23,000+**
